**TENANT PARTICIPATION**

**INDIVIDUAL REPRESENTATIVE VALIDATION FORM**

Dear Resident

I wish to become a village voice/tenant representative for the area in which I live. This means that I will be able to represent our area at the Council's Tenants Forum. In order to do this I need to obtain support from other council tenants in my area, and ask them to sign a form as proof of their support.

I would be grateful if you would support me in this, so that our area can have a voice in regard to Housing Services and Tenant Participation.

I would appreciate it if you would sign the attached list, and add your telephone number. The Tenant Participation Team may contact you by telephone to validate your support.

Thank you.

Yours faithfully
