**Presentation – The National Response to Winterbourne View Hospital – Yvonne Rhodes, Strategic Development Manager East Riding of Yorkshire Council and Peter Choules, Joint Commissioning Manager CCG East Riding**

Yvonne and Peter spoke briefly about what had happened at Winterbourne View and told us that a number of the staff there have been charged with offences of abuse against the patients there. There have been delays in the charging process due to the Court processes.

Yvonne and Peter updated us about what is going to happen now to ensure that everybody in our area continues to be safe and well cared for.

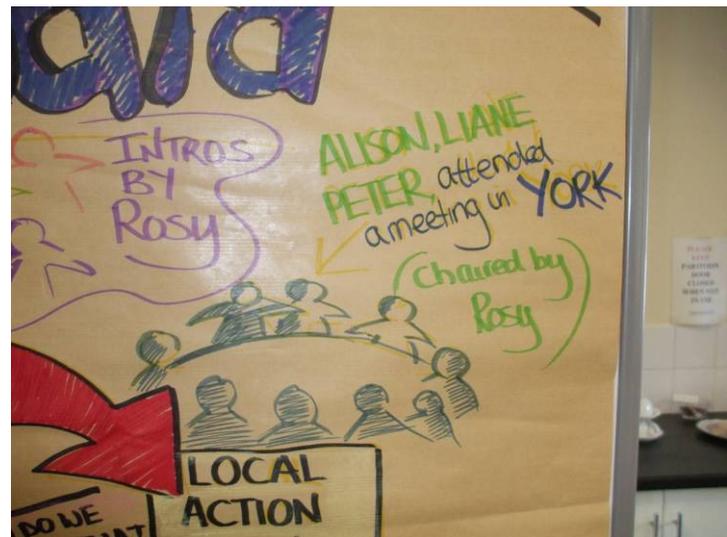

Thank you Yvonne and Peter for your presentation.

### Winterbourne View Local Action plan – Liane Kirk, Futures+ Team Leader, East Riding of Yorkshire Council

Liane updated everyone of a meeting she attended in York on 30<sup>th</sup> October with Alison Porter, Rosy, Neil Griffiths and Derek Barker. At the meeting there was a presentation about what went wrong at Winterbourne. Liane said this was hard to listen to but it was information that people had already. At the meeting they talked about what is right and what is wrong, and the important things we need to learn.

Liane went on to speak of coming up with a Draft Local Action Plan and working along with Inclusion North to develop this and, hopefully, get a 'bigger picture'.

Liane said she would be going back to York on 21<sup>st</sup> February with this plan.

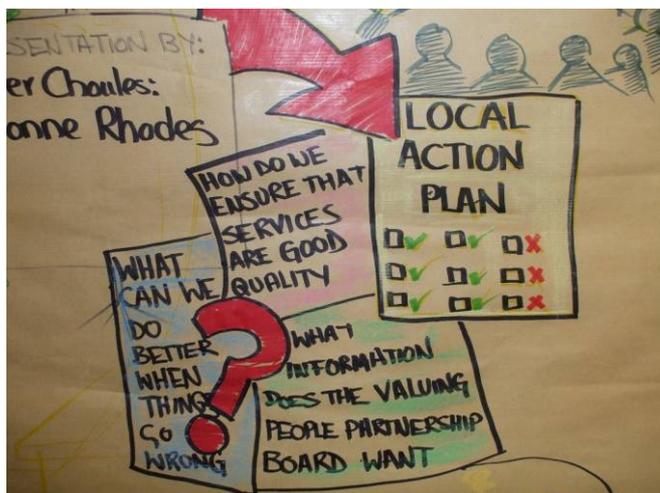

Thanks for your presentation Liane.
