Help me win one of five £100 high street shopping vouchers

Hi,

I recently signed up to a collective energy switch for electricity and gas, which is currently being organised by Big Community Switch. You can join in **from anywhere in the country**, you do not have to live in this Council area.

I would like to invite you to sign up for this collective energy switch as the more people that sign up, the stronger our negotiating power. If you use the link below I'll have a chance of winning a high street shopping voucher worth £100!

It's free to sign up, you'll also receive an invite to participate in this draw, and by taking part in the collective energy switch you could save money on your energy bill!

Best wishes,

Judith Brock
