Information Statement

A Referendum relating to the adoption of the Allerthorpe Neighbourhood Plan will be held for the Allerthorpe area on Thursday 12 December 2019.

This information sheet explains more about the Referendum that will be taking place.

The question asked at the Referendum will be:

Do you want East Riding of Yorkshire Council to use the Neighbourhood Plan and for Allerthorpe to help it decide planning applications in the neighbourhood area?

You vote by putting a cross (X) in the 'Yes' or 'No' box on the ballot paper.

If more people vote 'yes' than 'no' in the Referendum, then East Riding of Yorkshire Council will use the Allerthorpe Neighbourhood Plan to help it decide planning applications within Allerthorpe.

The Neighbourhood Plan, once adopted, will then become part of the Development Plan used by the Local Planning Authority (East Riding of Yorkshire Council) to determine planning applications.

If more people vote 'no' than 'yes' in this Referendum, or there is a tied vote, then planning applications will continue to be decided without reference to the Neighbourhood Plan as part of the Development Plan for the local area.

The Referendum will be conducted in accordance with procedures similar to those used at local government elections.

What is Neighbourhood Planning?

Neighbourhood planning was introduced under the Localism Act 2011 to give local communities more control in the planning of their neighbourhoods. It introduced new rights and powers to allow local communities to shape new development in their local area. It enables communities to develop a shared vision for their neighbourhood and deliver the sustainable development they need through planning policies relating to the development and use of land.

What is a neighbourhood area?

A neighbourhood area can cover single streets or large urban or rural areas. The boundaries of a neighbourhood area are put forward by:

- Town or parish councils
- A neighbourhood forum – a group of at least 21 people (in areas without a town or parish council)

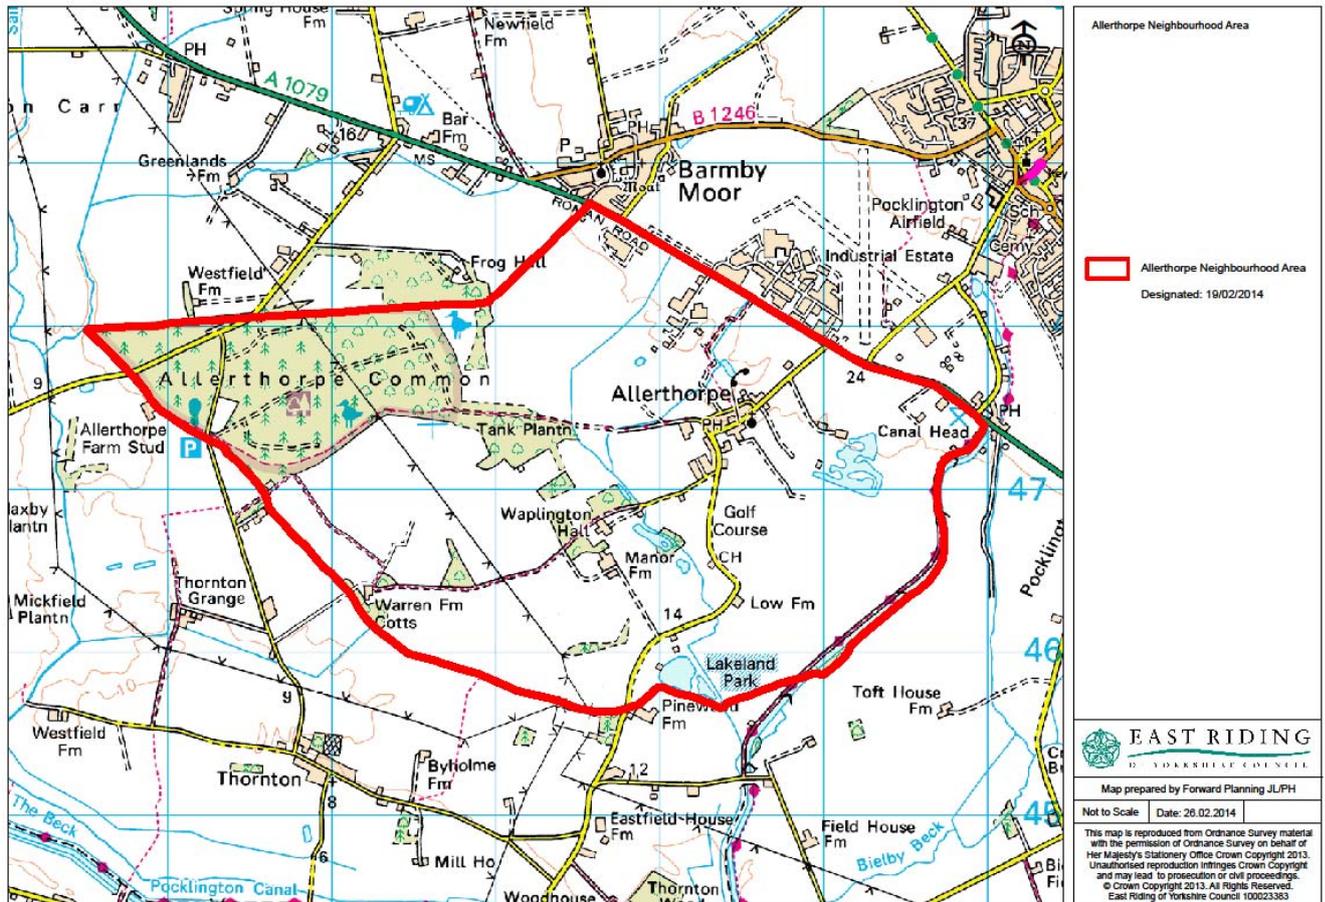

What is a Development Plan?

In England, planning applications are determined by local planning authorities in accordance with the development plan. A development plan is a set of documents that set out the policies for the development and use of land across the entire local authority area. The development plan

for the Allertorpe Neighbourhood Area consists of the East Riding Local Plan Strategy Document (April 2016) and the East Riding Local Plan Allocations Document (July 2016).

Allertorpe Neighbourhood Area

The Referendum area is identified on the map below as the parish areas of Allertorpe Parish and is the same as the areas which has been designated as the Allertorpe Neighbourhood Plan area.

Referendum campaign costs

An individual or body can incur costs during the period of the Referendum for the purposes of campaigning in association with the Referendum.

The Referendum expenses limit that will apply to the Allertorpe Neighbourhood Plan is £2471.74.
