

School admissions application for

an 'In-Year' school place

When should I complete this form?

You should complete this form to apply for an 'In-Year' school place, where you currently live in the East Riding of Yorkshire. If you currently live outside the East Riding of Yorkshire, you should not complete this form, but instead, first approach your 'home' Local Authority, that is the county or unitary Council that serves the area in which you live. In-year admissions are normally for school places that are required for a minimum period of two half terms, to join an existing year group at a school, either for the current school year, or after the Easter holidays for the next school year. If you wish to apply to start a new school in the 'year of entry', then you should complete a different form which you can obtain from the School Admissions team.

Our [Guide for Parents](#) available online contains advice and information we recommend you consider prior to making an application including how places are allocated and how applications are processed. Currently 'In-Year' applications for school places cannot be made online, so please complete this form, save it and return it to us by email to schooladmissions@eastriding.gov.uk. If you cannot complete this interactive PDF, please print and post to School Admissions, County Hall, Beverley, HU17 9BA, or email to request a non-interactive version of the form.

East Riding of Yorkshire Council reserves the right to withdraw a school place at any time if the information provided in this application is untrue, misleading, or incorrect in any way.

Whilst every effort is made to process applications in good time before a place is required, our policies require that applications are administered in the order that preferences were received. This may mean that at peak times, for example at the start and end of school terms or in school holidays, applications may take longer to process due to the volume of applications received. Also, where your preference is for a school where the East Riding of Yorkshire Council is not the admission authority, that is for an academy, foundation or voluntary aided school or a school that is located outside the East Riding of Yorkshire, decisions on admissions may take longer as they are not for the East Riding of Yorkshire Council solely to make.
